Dear Brothers and Sisters of ILA Local 1624,

Hello! I'm Teri Carter. I am writing to respectfully ask for your support and your vote for Recording Secretary for ILA Local 1624. For the past 19 years, I have proudly dedicated my time, commitment, and service to our union and its membership. Throughout those years, I have gained valuable experience, built relationships, and developed a strong appreciation for the importance of unity, representation, and standing together for the betterment of our membership.

I believe our union is strongest when we have members who are committed, dependable, organized, and willing to serve. If elected, I will bring those same qualities, along with integrity, accountability, and attention to detail, to the position of Recording Secretary. I understand that this position carries an important responsibility. It requires accuracy, organization, transparency, and a commitment to keeping our members informed and our union's records properly maintained. I am prepared to take on these responsibilities and fulfill them to the best of my ability.

My goal is to continue serving our membership, supporting our leadership, and ensuring that every meeting, decision, and important piece of information is properly documented and communicated. I believe in teamwork, accountability, and making sure every member's voice matters. After 19 years of dedicated service, I am asking for the opportunity to continue giving back to the union that I have proudly served. I am not asking for your vote simply to hold a title. I am asking for your trust and the opportunity to put my experience, dedication, and commitment to work in serving you.

Your support and confidence would mean a great deal to me. I would be honored to have your vote and the opportunity to serve as your next Recording Secretary. Nineteen years of dedication, a continued commitment to serve, and a promise to put our membership first!

Thank you for your time, consideration, and support.

In Solidarity,

Teri Carter
